Ben Bourque Scholarship Guidelines and Application

OVERVIEW

The Ben Bourque Scholarship is awarded to young people who are, or who were, in the care of the Province of New Brunswick and who are, or will be, successfully enrolled in any educational program. The Scholarship covers up to $500 of expenses relating to supporting training or education. Anyone who is or who was in care in New Brunswick can apply, including students who have applied for or obtained the Scholarship in previous years.

The Ben Bourque Scholarship fund was founded by Ben's family, friends and colleagues.

> *My husband and I wanted a meaningful way to commemorate our son's life and recognize the contributions he made to young people through his work with the Department of Social Development. In conversations with friends, family, and some of Ben's colleagues, we decided that an award to young people wanting to continue their education would be a fitting tribute. Ben was a committed social worker and through his work was able to help many young people along their, often challenging, life journeys. Our family's long history with education made reaching out to someone wishing to continue their educational pathway all the more meaningful. We know that Ben would have found this a useful and appropriate recognition of his contribution to our world, one he had to leave too soon*.
